## Of Independent Accounting Firms Limited

Looking for new challenges and for a rewarding future?

Due to the continued growth of our member firms, we are looking for experienced professional accountants to join our team. 2 years of post-qualification work and public practice experience would be a strong asset.

We are looking for more than just accountants, tax experts and auditors. To you, it's more than numbers – it's about making a difference. The focus of our member firms is on helping people by making a difference in their lives and in their businesses. You should be a self-starter with a strong desire to build and maintain ongoing, collaborative relationships with a wide range of clients by understanding and responding to their needs. In addition, you have strong analytical, interpersonal, and organizational skills, always wanting to provide your best.

Membership in the AC Group allows our firms and their clients to benefit from the strength and resources of 15 Atlantic Canadian firms with combined staffing of over 300. More information on the AC Group and its benefits can be found on our website [www.acgca.ca](http://www.acgca.ca).

If you are interested in starting a new rewarding career in Atlantic Canada with one of our independently owned and operating offices please forward your cover letter and resume by email to [admin@acgca.ca](mailto:admin@acgca.ca). Positions available in several locations across Atlantic Canada.
